

COMARCH  
Digital Insurance

---

A decorative graphic on the left side of the page, consisting of a grid of dots. The dots are arranged in a roughly rectangular shape, with colors transitioning from red at the top to blue at the bottom.

## Drive your modular evolution with Comarch Digital Insurance

Transform your insurance operations step by step – flexibly, with minimal risk and visible results within months, not years.

**+25 years  
of experience  
in insurance**

## What Makes Comarch Digital Insurance Stand Out

### **For Distributors**

Smart tool for agents, brokers, and managers that drive and boost results with easy data access and business process automation.

### **For Clients**

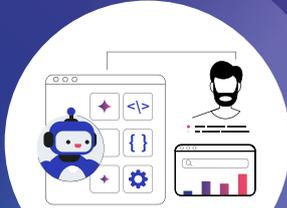

Self-service portal for individual clients to buy and manage insurance, as well as flexible management of employee benefits contract, 24/7 access, modern UX/UI design that is intuitive and responsive across devices.

### **For Business Administrators**

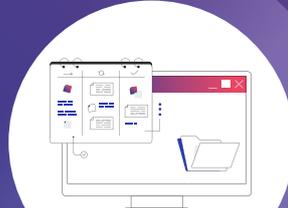

Easy management of rules and product configuration, fast updates, and full flexibility.

# Business Benefits

## **Omnichannel Experience:**

## Transform Without Disruptions

- No risky revolutions
- No lengthy implementations
- No need to replace existing systems at once
- No adding more systems

## Timeline of Tangible Results

### 6 months

First functionalities go live

### 1 year

Optimized & efficient processes

### 2–3 years

Full competitive advantage

## Case in Point

### P&V Belgium

7 months to first upsell processes!  
The 2-week procedure of the new policy version now takes just 15 minutes (back-office shared 5%).

# Over 250 insurance projects delivered by Comarch

## CLIENT VOICES

For this ambitious transformation program, we were looking for a partner that offered the advantages of a package solution, while offering the flexibility to adapt the solution to our specific needs.

Patrick Van Geystelen  
Director Life & EB at P&V – Vivium

We have never worked with Comarch before, and we took some risk choosing a newcomer on the Luxembourg market. Today we can say we made a good choice and delivered the project on time, scope, and budget.

Olivier Vansteelandt  
CIO at AXA Luxembourg
